

8th Malaysian Road Conference

Towards Sustainable Road Development and Operations

Sunway Pyramid Convention Centre
10 – 13 October 2010

The Conference

The biennial Malaysia Road Conference (MRC) which held its first conference in 1994 has emerged as the premier national and regional platform for presenting research findings, discussing and exchanging ideas on cutting-edge technologies relating to the development, construction, management and maintenance of roads, highways and related infrastructure.

8th Malaysian Road Conference

The conference is organized by the Ministry of Works, Malaysia, Public Works Department of Malaysia, Malaysian Highway Authority and the Road Engineering Association of Malaysia (REAM). It is supported by the Institution of Engineers, Malaysia, Institution of Highways and Transportation (Malaysian Branch), Institution of Transport System Association of Malaysia (ITS Malaysia), and Malaysian Institute of Road Safety Research (MIROS).

Guest Speakers

The following eminent speakers in road and transportation engineering have been invited to address the conference:

Dr. Kim Jonathan Jenkins

How Green is your Pavement : Rehabilitation or Recycling selection?

Prof. Dr. Andre A.A. Molenaar

Design and Construction of Sustainable Roads

Professor Dr. Henry Kerali

Improving the management and financing of transport infrastructure

Dato' Prof. Ir. Dr. Ashaari bin Mohamad

Slope Management along Federal Roads

Technical Sessions

All the local and foreign papers will be grouped and presented in 6 different sessions.

Session	Topic
1	Enhancing Road Safety & Traffic Management
2	Sustainable Road Pavements
3	Improving Pavement Performance
4	Sustainable Research & Technology
5	Good Design & Planning Practices
6	Bridge Structure Integrity

Registration

The Registration Fee covers the opening and closing ceremonies, conference sessions, tea breaks and luncheon during conference, and the technical tour.

EARLY BIRD RATES – by 15 June 2010

International delegates	USD350.00 per person
